

EASTER CAMP

21-23 of March 2008
in Östersund, SWEDEN.

Come, practice, learn and have a lot of good fun.

This is the 25th Easter Camp in Östersund. A long tradition for Kyokushin Karate in Sweden and now even for Scandinavia. We have had students and teachers from Denmark, Baltic States and even Japan as our guests. Shihan Nygren and myself never expected that when the Camp started so long time ago. But with well known Shihan Collins with us it all started to grow. We are now once again prepared to host you and enjoy Kyokushin Karate when it is as its best.
